[66 FR 47063, Sept. 11, 2001]

### § 710.10 Suspension of access authorization.

(a) If information is received that raises a question concerning an individual's continued access authorization eligibility, the Local Director of Security shall authorize action(s), to be taken on an expedited basis, to resolve the question pursuant to § 710.9(b). If the question as to the individual's continued access authorization eligibility is not resolved in favor of the individual, the Local Director of Security shall submit the matter to the Manager with a recommendation that the individual's access authorization be suspended pending the final determination resulting from the procedures in this subpart.

(b) Within two working days of receipt of the recommendation from the Local Director of Security to suspend the individual's DOE access authorization, the Manager shall review the matter and authorize continuation or suspension of access authorization. The access authorization of an individual shall not be suspended except by the direction of the Manager. This authority to suspend access authorization may not be delegated but may be exercised by a person who has been designated in writing as Acting Manager.

(c) Upon suspension of an individual's access authorization pursuant to paragraph (b) of this section, the individual, the individual's employer, any other DOE Operations Office having an access authorization interest in the individual, and, if known, any other government agency where the individual holds an access authorization, security clearance, or access approval, or to which the DOE has certified the individual's DOE access authorization, shall be notified immediately. The Central Personnel Clearance Index shall also be updated. Notification to the individual shall be made in writing and shall reflect, in general terms, the reason(s) why the suspension has been effected. Pending final determination of the individual's eligibility for access

authorization from the operation of the procedures provided in this subpart, the individual shall not be afforded access to classified matter, special nuclear material, or unescorted access to security areas that require the individual to possess a DOE access authorization.

(d) Following the decision to suspend an individual's DOE access authorization, the Manager shall immediately notify the Director, Office of Safeguards and Security, of the action and the reason(s) therefore. In addition, the Manager, within 10 calendar days of the date of suspension, shall notify the Director, Office of Safeguards and Security, of his proposal to conduct an administrative review proceeding, accompanied by an explanation of its basis and a duplicate Personnel Security File.

(e) Upon receipt of the Manager's notification, the Director, Office of Safeguards and Security, shall review the matter and confer with the Manager on:

(1) The institution of administrative review procedures set forth in §§ 710.20 through 710.32;

(2) The reinstatement of access authorization; or

(3) Other actions as the Director deems appropriate.

(f) The Director, Office of Safeguards and Security, shall act pursuant to one of these options within 30 calendar days of the receipt of the Manager's notification unless an extension is granted by the Director, Office of Security Affairs.
